In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with equent sharp darting pains. Then a dry acking cough will set in, and when you raise anything it will be a thick and vellowish or white frothy matter, streaked perhaps with piood. If you still take no modicine, these unpleasant symptoms will increase, and you will con have beetle fever, cold chills, night sweats, copious expectoration, and then great prostra-tion. DEAR SIMS—The public generally are fully aware of the thousands of remedies for Diseased Lungs, under the titles of Sarsaparillas, Pills, Plasters, Liniments, &c., that are cally brought to their notice through the newspapers by way of advertisements. My object in wri ting this note for publication, is to induce the public, or at least those who are afflicted (if they will use patent medicines,) to use one that contains articles of real use in Pulmonary Dis-cases. I am conscious that, in so doing, I am acting most unprofessionally, as d derogatory to the interests of medical science and the regular practitioners of medicine.

CELEBRATED GERMAN BITTERS, DR. C. M. JACKSON.

AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia. Their power over the above diseases is not excelled -if equalled--by any other preparation in the United States, as the cures attest, in many cases after skilful physicians have failed.
These Bitters are worthy the attention of in valids. Possessing great virtues in the rectifi-cation of diseases of the Liver and lesser glands

exercising the most searching powers in weakness and affections of the digistive organs, they are withal, safe, certain and pleasant. READ AND BE CONVINCED.

From the " Boston Bee." The editor said, Dec. 22nd : Dr. Hooftand's Celebrated German Bitters for the cure of liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. Bitters have been used by thousands, and a friend at our elbow says he has himself received a permanent cure of liver complaint fro the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor-a fact worthy of great consideration. They are pleasent in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. 'Ve are speaking from experience and to the afflicted we advise their use. " Scott's Weekly," one of the best Literary pa-

pers published, said, Aug. 25...
"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the fa culty as an article of much efficacy in cases of female weakness. As such is the case we would acvise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of ebilitated constitutions will find these Bitters idvantageous to their health, as we know from experience the salutary effect they have upon

It calms and strengthens the nerves, bringing them into a state o

"If this medicine was more generally used. we are satisfied there would be less sickn as, a from the stomach, liver, and nervous system, the great majority of real and Imaginary diseases emanate. Evidence upon evidence has been received like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and 50 M half Spanish;
